

The Harbor Association of Industry and Commerce

Joint Port Engineering Update

The Ports of Los Angeles and Long Beach are growing and changing everyday. As we see greater cargo volume, advancements in the supply chain and newer cleaner operations our ports have to regularly adjust. Please join the HAIC on Thursday, April 25th to hear directly from port leadership on all the cutting edge and exciting work being done at the ports.

This unique and exciting luncheon is bound to sell out. Get your tickets soon!
