A POLICY DISCUSSION WITH SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT

South Coast AQMD's Governing Board is a 13 member board that adopts policies and regulations that promote clean air within its four-county area. Federal and state law require that South Coast AQMD achieve clean air standards to protect public health.

Please join us as we hear from SCAQMD Board Member Vanessa Delgado. She was elected to the Montebello City Council in November 2015, where she went on to serve as Mayor and had roles as a member of the city's Oversight Board and served on the regional Gateway Cities Council. In August 2018, as the winner of a special election race for the 32nd district, she was sworn in as State Senator, until the term ended in December 2018.

Delgado has also served as a Los Angeles County Commissioner for Small Craft Harbor, and worked in economic development for the cities of Pico Rivera, Anaheim, and Downey. In addition to her public service roles, Delgado is a founder and Managing Partner at a Commerce based real estate development firm. Register today for this valuable discussion.
