

**The Harbor Association of Industry and Commerce
Presents:**

2018 Legislative Review

The State of California will have a new Governor, we'll see ballot propositions that have a significant impact on the region's transportation funding and the Legislature will be starting a new two-year session. What did we see in 2018 and what are we to expect in 2019? How will these changes impact you?

Come join the HAIC at our first annual legislative luncheon and directly from our legislative leaders. Tickets and sponsorship opportunities are available now!
